Re: Request for submission of all offline awarded tenders with respect of

Reviewed format for FY 2019/2020

Reference is made to the spreadsheet submitting monthly procurement progress report as it has been reviewed according to the letter N° 010/2018/2019-2654/RPPA; which was addressed to all Chief Budget Managers;

Following RPPA assessment of the submitted reports, we have noted that majority of institutions do not comply with the report requirements especially the information concerning the successful bidder;

It is against this background that I take this opportunity to request all of you to abide with this mandatory requirement while you will be submitting the annual report on all awarded offline tenders during the FY 2019/2020. The deadline for submission is 15/07/2020.

Yours sincerely,

UWINGENEYE Joyeuse

Director General of RPPA
